Living Tree & Park Bench Memorials

Living Tree & Park Bench Memorials Help improve the quality of life and the environment by having a tree planted in one of your Dyer Parks to remember or honor a person or organization. A minimum donation of \$600 will purchase a tree & a plaque. You may designate the park but Dyer parks & Recreation will

determine the exact location. Trees are planted each fall, weather permitting. Park Bench Memorials are also available. Thor Guard Lightning Prediction & Warning System

Once Lightning is predicted, the main satellite will send a signal to the remote satellite and you will hear a 15 second horn blast. This signals that lightning is coming to the area. At that time, everyone should seek shelter and all outdoor activities should stop. A strobe light will begin to flash & remain flashing until safe conditions return. Once lightning is cleared from the area, you will hear three 5 second horn blasts signaling all is safe and outdoor activities can resume.

The Thor Guard System will be active between the hours of 10 am - 8 pm, Monday - Friday & 9 am - 8 pm on Saturdays & Sundays, roughly March - October. For more information about the system visit www.thorguard.com. To see the 13 satellite locations visit www.parks.townofdyer.com

5/31 ~ The Muddsharks

Aaron Harris on lead guitar is formerly of Dick Diamond and the Dusters and Chris Karp formerly of The Crawpuppies. They both joined in 2019. We play all genres of music, focusing on upbeat dance rock and 80s, classic sing alongs, country and pretty much anything in between. The Muddsharks have been around since 2006.

6/14 ~ Half Step Down

Half Step Down is a local 90's and early 2000's cover band. We cover grunge, rock, and some classics. The members of the band have been playing together for over 10 years, but the band was officially formed in 2020. The members are. Paul A. Guitar, Vocals, Tim K. Bass, Vocal, Micah L. Drums, Eric A. Sound, security.

6/28 ~ Saturday June Band

Saturday June plays an eclectic mix of music ranging from today's hits back thru the 90's, 80's, and 70's. We also perform songs from our two original albums. We pride ourselves on being an interactive audience friendly group. The five-piece band features Jami Dawn, one of the top vocalists in Chicago, and some of the finest musicianship around, not to mention an intricate array of harmonies.

7/12 ~ Gerhart

Gerhart is the new generation of modern rock. The band's sound can be described as: "The Psychedelic energy of Led Zeppelin, sinister guitar licks of Black Sabbath, heart-pounding excitement of AC/DC, and the raw power of Metallica." All of that is molded together into a modern rock/alternative

7/26 ~ Oscar & the Majestics

Oscar and the Majestics recorded and performed at the beginning, smack dab in the middle, and all through the 60's garage rock era. They are recognized internationally as Garage Rock Heroes and the original authentic Chicago-In 60's garage rock band.

8/9 ~ Superfluid

A blend of fusion and urban influences, Superfluid is a quasi-collective, multi-dimensional, poly-genre force of kinetic energy that spins velveteen lyrics across smooth grooves, silk Rhodes, and soulful guitars. On spaceship earth, energy is neither created nor destroyed, it simply changes form. This is true for individuals that make up Superfluid Collective.

9/23 ~ The Muddsharks (Acoustic)

Aaron Harris on lead guitar is formerly of Dick Diamond and the Dusters and Chris Karp formerly of The Crawpuppies. They both joined in 2019. We play all genres of music, focusing on upbeat dance rock and 80s, classic sing alongs, country and pretty much anything in between. The Muddsharks have been around since 2006.

9/6 ~ Time Bandits

The Time Bandits Band is a group of seasoned musicians playing timeless rock largely from the Woodstock era. Members include Tom Wilson, Joey Drada, Perry Hudson, and Ed Welch.
